

THE BEST SOURCE FOR COMMERCIAL CLEANING SOLUTIONS

BP Creative Systems offers cost effective, efficient and environmentally safe commercial cleaning solutions.

BP delivers tailored cleaning programs to clients nationwide. We aim to understand your needs, look for additional cost savings, and provide the best solution for your business. We also offer you 24/7 account management and support, so you never have to worry about the job getting done right.

Our Cleaning Staff is:

- Well-supervised and managed
- Carefully screened and trained
- Attentive to all special cleaning requests

Using the latest in cleaning technologies and products that meet environmental standards and comply with OSHA regulations, BP ensures that your office will be cleaned in the safest manner possible. Our cleaning procedures are customized to your particular needs.

Additional Services Include:

- Window cleaning
- Professional power washing
- Interior building cleaning
- Post construction cleaning
- Deep cleaning/sanitation services
